

# Join us and make a difference

## **Membership Application Form**

Membership of the RSPH shows a real dedication to public health and the promotion and protection of collective human health and wellbeing.

Our membership is international and diverse, covering all aspects of public health. We are proud to be the chosen professional membership body of Nuffield Health Wellbeing. We are confident that we will be able to help, engage and benefit you professionally.

## **Join today**

- Progress your career
- Be part of an ever-growing public health community
- Keep informed about topical public health issues
- Benefit from our exclusive membership publications
- Network at our free member events
- Gain designatory letters after your name
- Attend our conferences and meet senior public health professionals

In today's economic climate joining the RSPH will demonstrate your commitment to public health and to your career, giving you a competitive advantage as well as a contributing voice to public health.

A full list of the benefits you will receive as a member can be found on the back of this application form.

## Membership Application Form

### Data Protection Statement:

Your information will be stored in electronic format and shared with RSPH's partner organisations for the purposes of sending information relating to RSPH activities only. It will remain on our files for a long as you remain a member and thereafter for the statutory minimum period. You may request a copy of this information at any time. We will request annual updates from you and the accuracy of the data we hold on you will depend on receipt of these updates. RSPH does not share your personal information with third parties for the purposes of direct marketing activity.

## Membership Criteria for the Physiology Team of Nuffield Health

### Member, MRSPH

To apply for Membership, applicants who work on the Physiology Team of Nuffield Health must meet the following criteria:

**A career commitment to the improvement of population health and/or well being AND**

**Educated to Bachelor Degree or equivalent from an academic institution or recognised professional body OR**

**Hold a Level 3 (or above) qualification from the RSPH or other academic institution or recognised professional body**

### Fellow, FRSPH

To apply for Fellowship, applicants who work on the Physiology team of Nuffield Health must meet the following criteria:

**A career commitment to the improvement of population health and/or well being AND**

**5 year's experience as a Health and Wellbeing Physiologist AND**

**Been a Member of the RSPH AND worked on the Physiology Team of Nuffield Health for at least 1 year**

Members are encouraged to progress to higher grades, where additional qualifications and/or experience have been gained.

All members are admitted at the discretion of the Council, whose decision is final.

# Benefits of membership

## Increased professionalism

- Members are entitled to use the post nominal letters FRSPH (Fellow), MRSPH (Member), or AMRSPH (Associate), depending on their level of membership
- Members are able to gain CPD points through 'Perspectives in Public Health' and attendance at certain events
- Members will receive a certificate of membership

## Communications

- All members will receive copy of the journal 'Perspectives in Public Health' in the post six times a year. This practice-orientated journal features: current topics and opinions, news, case studies, book reviews, letters to the Editor and updates on the work of RSPH
- Fellows will also receive online access to RSPH's peer-reviewed, monthly journal 'Public Health'
- All members will receive our regular enewsletter, @RSPH, with the latest news from the public health world and RSPH activities
- New members will receive a welcome email from our Chief Executive, Professor Richard Parish, with their log in details to the Members' Area

## Members Area

- Members can manage their membership account online and pay their fees, as well as access exclusive news articles and event reviews

## Events and conferences

- Members can attend a wide range of free events on topical public health issues
- Members can attend all RSPH conferences at a discounted rate

## Discounts on products, services and subscriptions

- Discounted professional indemnity insurance
- 10% discount in our online bookshop and qualification eLearning courses
- 10% discount on our qualification eLearning courses, as well as free eLearning modules for members
- Join our Special Interest Groups

## Food safety helpline

- Each month our members can benefit from up to 30 minutes free and confidential food hygiene and health and safety advice from a qualified Environmental Health Practitioner. This benefit is provided as part of our continuing partnership with Hygiene Audit Systems

RSPH also offer Student membership, for further information regarding this or any of the above benefits, please contact our Membership Officer Louise Arthurs on 020 7265 7300 or [larthurs@rsph.org.uk](mailto:larthurs@rsph.org.uk).
