

2019 UPDATE IMPACT PATHWAYS – Smoking and tobacco

Supportive resources: There is MECC training available for smoking cessation and on alcohol and tobacco brief interventions in secondary care settings.

The Public Health England (PHE) framework 'All our health' has a section dedicated to smoking and tobacco, containing extensive literature on the different forms intervention can take.

*Follow up is optional and in many cases will not be possible. However, should the opportunity arise, the impact pathway highlights the data that could be collected to further demonstrate impact.
