

Hello

2018/19 grant eligible training details now available.

A full list of grant eligible training, as well as other information about the revised Grants Scheme, is now available.

Grants support training that is focused on the core construction skills needed across the industry. This includes:

- **Apprenticeships:** at all levels, including Higher Apprenticeships, to increase new talent within the industry
- **Qualifications:** at all levels, including support for higher qualifications
- **Short duration training:** for all workers to industry agreed standards, making their skills more transferable between employers.

See www.citb.co.uk/grant for full details.

Make sure your construction industry customers can continue to receive grants for the grant eligible training they carry out with you, by becoming a CITB Approved Training Organisation.

More information about becoming an ATO can be found at www.citb.co.uk/onboarding

If you would prefer not to receive emails from CITB please email unsubscribe@citb.co.uk.
