RSPH Training Privacy Notice

The Royal Society for Public Health (RSPH) will use your information to process and manage your enquiry/ training booking. Our legal basis for processing your information is for the performance of a contract.

Managing our training service includes processing training/ e-learning enquires, administering training bookings, providing and organising activities; administering e-learning; providing demo access; delivering face to face training; conducting assessments; collecting feedback for evaluation; maintaining our own accounts and records.

If applicable, we may share some of your personal information with our qualifications team, in order to send you a qualification certificate.

We will retain your personal information for the duration of your enquiry/ training booking. Any sensitive data, such as dietary requirements, will be destroyed on completion of the training. After completion of the training we will continue to retain some of your information to be able to prove your training status if needed.

We will send you relevant information about the other services we provide, subject to your agreed permission to be on our events and training mailing list.

We will not share your personal information with any other organisation without your prior consent, unless we are required to do so by law.

For further information on how your information is used, how we maintain the security of your information, and your rights to access the information we hold on you, please see our privacy policy <https://www.rsph.org.uk/about-us/legal-disclaimer/privacy-policy.html>
